19 NOV 1964

MEMORANDUM FOR: Director, BPAM

SUBJECT: Replies for Questions by Bureau of
the Budget Examiners

1. We understand that the Bureau of the Budget examiners have requested information on the following subjects as a follow-up to their hearings during the week of 26-30 October:

a. Detailed objectives of the proposed contract with [REDACTED] or [REDACTED] for the analysis of radar signatures of orbiting space objects.

b. Recommendations and supporting data related to the problem of purchase vs. rental of EDP equipment.

c. Detailed data for justification of personnel and fiscal levels of [REDACTED]

d. Personnel required by OSA to support the CORONA Program.

e. Information on the past and present aircraft inventory for the [REDACTED] Program.

f. Information on personnel and fiscal savings which would be effected under an ALP Program as proposed by OCS and OCR.

2. [REDACTED] of your office has noted the memorandum from AD/OCS to DIR/BPAM dated 30 October 1964, Subject: Purchase vs. Rental of Computer Equipment, and stated that this study satisfies the requirement of item 1.b. above; also, information which has been submitted to OBPAM during the past week by SOD/FI and OEL/DD/S&T has provided that data needed for item 1.e. As
